PHC Presents

The Affordable Care Act

How Children and Families are Affected by the Health Care Law

AARP is committed to helping Arizona families understand how they will benefit from the Affordable Care Act. David Parra, Community Outreach Director of AARP, will be delivering a presentation on this important subject. Mr. Parra has been offering this valuable information statewide, and his dynamic presentation makes understanding the basics of the ACA easier! He will present how the healthcare laws will affect families and their children and answer questions you may have regarding the latest developments.
